OBJECTIVE

C++ Developer seeking a 2-3 month internship starting now until August.

PROFILE

- Bachelor's student in Software Development, with a passion for programming and game mechanics.
- Capable of working with various 3D modeling and animation software.
- Flexible, eager to learn, and ready to contribute to creative projects.

EDUCATION

Bachelor in Software Development, Video Game / Game Dev Option G-Tech-GAMING CAMPUS | 2023 - Present

- Advanced programming.
- Specialized in game engines.
- C/C++/C#.
- Project-based learning: 7+ projects per year.

High School Diploma (Baccalauréat) *Lycée Charles Gabriel Pravaz* | 2020 - 2023

- Mathematics and Computer Science (NSI) electives.

PROFESSIONAL EXPERIENCE

Engine Programmer Intern *June 2025 - August 2025*

- Contributed to the creation of a game engine for students.
- Collaborated with the gameplay team to adjust engine implementations to fit their game concepts.

Machine Pilot

Brioche Pasquier * Managed maintenance and operations for carton distribution machinery.

- Oversaw mechanical systems responsible for routing cartons to production lines.

PROJECTS & SKILLS

Ruins of Hestia - Custom Game Engine (C++)

- Collaborated in a team to develop a custom video game and proprietary engine.
- Integrated the Vulkan API for low-level graphics rendering and handled FBX file parsing for skeletal animations.
- Implemented audio mixing using the XAudio2 API.

DirectX 12 Video Game Engine (1 month)

- Created a game engine utilizing DirectX 12.
- Implemented the core engine, 3D Mesh rendering, and transformations alongside basic rendering capabilities.
- Demonstrated strong teamwork, rigor, and unexpected event management.

2D Platformer - Video Game (Unity) (2 weeks)

- Developed a 2D platformer game in a two-person team.
- Handled the full pipeline from concept and game design to final development.
- Focused on effective teamwork, setting boundaries, and managing project constraints.

LANGUAGES & INTERESTS

- **Languages:** English (B2, Professional).
- **Interests:** Baking, Horror movies, Tennis (recreational).
- **References:** Available upon request.
